# Ellisons Office at Connexions, Ipswich Parking and Building Access

# Ellisons

Ellisons have a number of car parking spaces available at the Connexions building.

Your point of contact at Ellisons will have asked if you'd like a parking space reserved for you and will have booked a space if you have indicated you would like one. They will have provided you with the number of the space.

The car park entrance for the Connexions building is on New Cardinal St.

On arrival at the car park entrance, there is a barrier. Please press the button at the gate and the building receptionists will allow you access to the car park.

Once the barrier has been raised, drive to the right. The Ellisons spaces are under the building, they are numbered 19, 20 and 65. Upon exit, the barrier will raise as you approach.

Once you have parked in the correct space you will need to make your way to the front of the building, **highlighted in red**, using the paths, **highlighted in blue**.

We are located on the first floor of Connexions. If you take the lift, on exiting turn right then right again and the entrance will be in front of you.
